Dear Parent(s) and Guardian(s),

Can you believe we are already in December? Last month was a month of expressing gratitude for others. I am hoping that you took some time over the Thanksgiving break to reflect on the things that we must be thankful for. Having been here now for almost a semester, I realized how thankful I am to work with such a talented and dedicated staff. I am also appreciative of our entire community. Our students and families welcomed me with open arms. My hope and intent is to continue to serve each of you so that your child/children can have a safe place to thrive as they continue to develop.

Thank you for attending our Math & Science Night on November 11. It is our goal and privilege to find meaningful ways to connect with our families beyond the school day. If you missed out, please know that we will be holding additional functions going into next semester.

I would also like to thank our Inez Ford PTA! Our **Scholastic Book Fair** week was a huge success, and it would not be possible without them. If you would like to be involved in joining our PTA, I encourage you to reach out. The more involvement we have with our families, the more opportunities we can provide for our students.

To avoid disrupting your child's enrollment, Tucson Unified School District has the 2025-2026 school year available for registration. Please use your ParentVue account and enroll for next fall to secure your child's placement.

Registration for 2025-2026 is NOW OPEN!

 **Please note, that online registration is required for all students every school year**

Please mark your calendar for our upcoming events:
