REPORTS TO REVIEW	Principal Report presented byJulie Cox
DISCUSSION	<b>Academics</b> <ul style="list-style-type: none"> <li>Students completed their second i-Ready diagnostic last month. Teachers are receiving</li> </ul>

training to have a deeper understanding of the results.

- The students are assigned their own adaptive learning path based on results to ensure they receive necessary interventions that align with their needs. Teachers will use the results to determine what changes need to take place to instructional planning and student needs.
- Our students are currently in a competition to determine which grade level can successfully complete the most i-Ready lessons. Our PTA has agreed to provide a pizza for the grade level that completes the most lessons. We are looking forward to the results!
- Teachers are also providing TLS (Targeted Learning Support) for identified K-3 students after school 4x weekly to help provide small group instruction for identified skill gaps.
- We are now gearing up for testing season which can be stressful for students, and even teachers. Our goal is to help students by providing testing strategies, loads of encouragement and support to help build their confidence

### **Community**

- Last Tuesday evening, we had Family Literacy Night. Our teachers had a variety of activities for families as students visited the classrooms. The event also coincided with our Scholastic Book Fair which was also a success.

### **Special Events**

- December was especially busy for students and families here at Ford
  - PTA sponsored a movie night to watch one of the all-time classics – Rudolph the Red Nosed Reindeer. Students enjoyed

	<p>popcorn and hot cocoa and were able to sit back and relax during the movie.</p> <ul style="list-style-type: none"> <li>○ Our 4th and 5th Grade students held a winter “Informance” to showcase all of their progress in band and orchestra. Our families showed up in full support with standing room only to celebrate with their children.</li> <li>• Since we have started this semester, we have had a number of special guests/events for our students:             <ul style="list-style-type: none"> <li>○ Cavity Free AZ visited with our 2nd grade students for a special presentation to be followed up with a mobile visit to provide dental sealants</li> <li>○ TEP visited 4th grade to provide an energy education presentation. They will be visiting 5th grade also next month.</li> <li>○ Love of Reading week has been full of spirit through dress down spirit days and variety of reading activities. We will have guest readers visiting later this week</li> <li>○ U of A Volleyball will be coming to visit our students later this month to talk to students and also give them a demo and teach them some basic skills</li> </ul> </li> </ul> <p>In summary, you can see that there is a lot of positive things happening in the Ford community and none of this would be possible without the commitment and dedication of our amazing staff.</p>
